The Interagency One-Stop Policy and Technical Assistance Workgroup, is presenting a series of informal briefings describing the individual WIOA Partner programs that make up the workforce system. Hosted by ETA, these monthly briefings provide a forum to understand each of our programs better, learn how we fit together as a workforce system, ultimately resulting in creating the integrated service delivery system envisioned by WIOA.

Have you wondered how the adult and dislocated worker formula programs support the workforce system under WIOA? Join us for this WIOA Partner Briefing on Adult and Dislocated Worker programs presented by members of the Office of Workforce Investment’s Adult Services team.

Andy Ridgeway, Supervisor, Adult Performance Unit and Kellen Grode, Workforce Analyst, U.S. Department of Labor, Employment and Training Administration provide information on the Department of Labor’s Adult and Dislocated Worker programs.
